

BIBLE READING PLAN

Path2Hope recommends reading at least 1-2 chapters per day in the Bible. This is the amount needed to stay fed and grow. (You can break readings up into morning & evening readings if preferred!)

Physical Bibles are preferred to digital Bibles or audio Bibles as studies have shown that we retain twice as much information when turning physical pages than with eBooks or audio books. Regardless, if those are your only option, then use them.

A believer should study the entire Bible, Old and New Testament. Below is a great Bible reading plan if you need one:
